

World Horizons Camp Kit List – 1 Week Event

Residential Activities – North Dock

World Horizons provides all the specialist equipment for activities unless otherwise stated. Each group member should bring the following, bearing in mind that activities may be cold, wet, dirty and muddy even in summer!

- Warm tops (fleecy clothes are ideal, cotton is best avoided) x3
- Tracksuit trousers (jeans are very cold when wet) x3
- Waterproof top (with a hood) and waterproof trousers
- Towel
- Old pair of shoes to get wet
- Wellies
- Warm hat
- Walking boots (sturdy trainers, shoes as a minimum)
- Sleeping bag
- Small day rucksack (20-35L)
- Large expedition rucksack (45+L)
- Supermarket plastic bags for wet clothes
- Large plastic bag to line rucksack
- Sun protection (cream, hat, glasses)
- Personal toiletries
- Personal Medication
- Drinking bottle (at least one litre capacity)
- Torch and spare batteries
- Small amount of money for tuck shop

Valuables, including mobile phones, are best left at home unless absolutely necessary. Activities often result in some personal equipment being left locked in minibuses and other vehicles. We try to minimise this as it's vulnerable to theft.

Some items of equipment such as boots and rucksacks may be hired from Horizons if arranged in advance. E-mail us at ydt@worldhorizons.co.uk, or phone on 01554 750005 with any kit you may require, at least one week before, including your sizes. Hire fees are as follows, payable at start of event:

| Item | Charge Per Day |
|---------------------|----------------|
| Walking Boots | £3 |
| Sleeping bag | £3 |
| Day rucksack | £2 |
| Expedition rucksack | £2 |
| Waterproof jacket | £2.50 |
| Waterproof trousers | £2.50 |
